Action Plan #1	
What is your first opportunity?	
Who will lead the change?	
Who will help with the change and its implementation? How will they help?	
What action steps will you take to achieve the change?	
What is your timeline?	
What resources do you need?	
What factors will help you succeed?	

What barriers may compromise your ability to succeed?	
What are your strategies to overcome any barriers?	
How will you measure success? What will tell your group, you have been successful?	

**Action Plan #2**
