Multi-Source Feedback Plus (MSF+)  
Action Plan

ACTION PLAN - Goal #1

Describe a specific, observable change that you intend to make as a result of the feedback.

Sample Only  
Electronic version will be  
sent following facilitation

What is your goal?

Sample Only  
Electronic version will be  
sent following facilitation

Specifically, identify what you will do.

Sample Only  
Electronic version will be  
sent following facilitation

How will you and your patients benefit from this change?

When will you begin?

When do you hope to see results?

What learning and/or other resources will you need to make the change?

Sample Only  
Electronic version will be  
sent following facilitation

Who will you involve in the work?

What resources will you need?

What learning will you need to undertake?

What will get in the way of accomplishing the change?

Sample Only  
Electronic version will be  
sent following facilitation

How will you overcome challenges?

How will you measure success?

What will tell you that you have achieved your goal?
