Advisory Committee on Laboratory Medicine

July 2019

Committee Description\|Purpose

The Advisory Committee on Laboratory Medicine oversees the CPSA’s accreditation program for medical diagnostic laboratories; for private facilities as defined in CPSA by-laws and for public facilities through contract with Alberta Health Services. Through the development of evidence based standards and monitoring facility compliance with those standards, the Committee promotes high standards of medical practice in diagnostic facilities.

Membership and Tenure

Membership:
Membership considers expertise, geographic location, urban versus rural and public versus private representation. Members who serve by virtue of their position, serve as long as they fill that position. The Chair is selected from the membership and appointed by the Medical Facility Accreditation Committee. In the absence of the Chair, an alternate will be selected from the members present. All voting members are registered health professionals responsible to their respective professional regulatory body for their competence, their standards of practice and their conduct.

Membership is comprised of 10 voting members and 5 non-voting members and includes:

- Laboratory Physicians
- Laboratory Technologists

Non-Voting Members:
- Assessment Coordinators

Tenure:
Committee members are appointed by MFAC for an undefined term.

Roles and Responsibilities

1. Develop and maintain evidence based standards/guidelines for laboratory practice;
2. Provide advice to MFAC on pending decisions relating to the provision of laboratory medicine services;
3. Monitor compliance with CPSA approved standards through on-site inspections for accreditation;
4. Facilitate the introduction of new technologies;
5. Provide advice to others in the health care system on the use of off-site/point-of-care laboratory testing by non-laboratorians;
6. Provide education to promote safety and quality improvement initiatives;
7. Respond to the needs of stakeholders for improved laboratory services in Alberta.
Powers and Duties (Accountability)

The Advisory Committees report to and provide direction to MFAC who is accountable to Council.

The CPSA retains a copy of the minutes of the meeting for a minimum of 10 years.

Meetings

Frequency:
Meetings are held five times a year and at the request of the Chair. Additional meetings may be called as required.

Procedures:
Meetings are in-person or teleconference at the discretion of the CPSA/Chair.

Decision Making (Quorum):
General decisions are reached by consensus of the members present. Decisions supported by motions require that a minimum of half of the voting members are in attendance in-person or by audio or video-conference. The Chair is included in the quorum count. The Chair does not vote, except in the event of a tie; the Chair will cast the deciding vote.

Records of the Committee:
Meeting minutes are made available to all Committee members within 14 business days of an Advisory Committee Meeting via the CPSA secure SharePoint site. CPSA Council does not approve the minutes from the Committee meetings, however if a Council member wishes to see the minutes, the minutes can be provided to them. The Medical Facility Accreditation Committee reports to College Council on its activities after each meeting.

Confidentiality:
All written materials and discussions related to decisions made at the meetings of the Committee are confidential except that information deemed necessary to communicate the decision to stakeholders.

All Committee members are required to sign confidentiality agreements on an annual basis.
